Potentate's Message

ES SELAMU ALEIKUM

Miles K. Costello
Potentate

Nobles and Ladies,

It has been quite a year, and now on December 7, 2016 I can sit on my porch and grow old.

I have a lot of memories of my trips to Tampa and talking to our Illustrious Sir Jack Jones, and he is quite a nice man. This year we have gone through five different bookkeepers, and now we have a new bookkeeper and her name is Kim Kindle.

Throughout this year projects were completed to better the Jaffa Shrine Center. Some of the projects are the floor in the Auditorium, the side wall on the building, the side walk, the lawn, and more. The electric room is still in the planning stage and I hope our new Potentate Jerry Lower pushes it to completion.

Our Gun Raffle was a success this year, and Lady Delores' Craft Show was also a success, especially for our first one in a long time. I would like to thank everyone who helped with both of those projects.

LEGION OF HONOR

Hate to say it, but winter is just around the corner. I hate the thought of the snow and the bitter cold that goes with it. Bundle up and get the long-johns out.

Fliers and letters have been sent out for the Past Commanders and Ladies Night Banquet on December 10. We will be honoring Commander Tom Noland and Lady Judy. So I hope we get a good crowd to attend.

The 2017 dues notices are being prepared and will be in the mail soon. Those Legion Nobles that still owe for the 2015 will be dropped from the rolls if not paid by March 8, 2017. Officers for 2017 will be elected at our December 2016 stated meeting and sworn in at our General Elections on January 7.

The Black Camel has passed thru our Oasis and took from our ranks Legion Noble Wilmer R. Frye of Williamsburg on September 9, 2016. Wilmer had been a member (Legion) since June 2003. Also, taken was Jedidiah M. Eckardt on October 24, 2016 (much too early) Jed had been a Legion member since February 2011. Please keep them and their families in your daily prayers.

I am looking for a Legion Noble to take over this position of Reporter. 2017 will be my last year as I will be cutting back on some of my duties. I have written an article for the Legion and the Journal for 20 plus years. It's time for someone younger to take over. Also, 2017 will be my last year as the Financial

Adjutant for the Unit as well as the MASA Legion of Honor Parliamentarian. It's time for me to sit back and take it easy.

A note to all the newly created nobles from the one day class of October 29th. Jaffa's largest unit, the Legion of Honor, a unit of members who have served in our military, i.e. Army, Marines, Air Force, Navy, Coast Guard and Merchant Marines for a period of at least six months or more, also including the National Guards and Reserves.

Protocol allows a member to belong to only one working unit. However, you can belong to the Legion and any other unit at the same time. The Legion has a Drill Team (marching unit) and if any Noble (veteran) chooses to participate with the Drill Team, he cannot be a member of a second unit. For any of you Nobles that chooses to join The Legion, a petition is in this Journal. Just fill it out and mail to Jaffa c/o Legion of Honor. All this will be explained to you. To join takes \$15, that includes your first year's dues of \$12 and initiation fee. Any questions, call Noble Leon Collins at (814) 696-1326.

"No decision is difficult to make if you get all the facts."
General George S. Patton

Please keep in your daily prayers all our Armed Forces. Remember Nobles, "It's an Honor to belong to the Legion of Honor."

PROVOST GUARD

Well, summer is over and the leaves are coming off the trees, but Jaffa is bustling with activity. Let's wrap up what we've done since the last article.

The Provost Guard got second place at the MASA Parade in Virginia Beach. Not the top prize, but Khedive looked sharp and they only beat us by 97 points to 94. Second is not that bad, and there is always next year. I know we all had a lot of fun at the beach anyway. And I know my family will never go deep sea fishing again, we chalked that one off of the bucket list.

The One Day Masonic Journey is in the books. I think we had about 120 candidates for lodge and about 100 novices for entrance into our Shrine. It was nice to stand up there and do the ritual in front of so many novices and members a lot of nobles witnessed the work as well. It was a very long day for everyone. I know I was in at 6am and didn't get out until 6pm. Provost set up a small booth with some refreshments and got several petitions for our unit.

November brings us a couple events that Provost will participate in. First, we have the 300 Club on Saturday, November 12th where a couple of us will be tending bar. Tickets may still be available from a member of the Antique Car Club and the Mounted Patrol. We also have Big Time Wrestling on November 18th where we will be serving beer. December we will have the Kiddies Christmas Party with set-up starting on December 5th and the party itself on Sunday, December 11th.

If this is your first Journal since you joined. Welcome to the Shrine, I hope you find a unit that will make your experiences at the Shrine enjoyable. If you want to consider Jaffa Provost Guard you are welcome to come to one of our meetings. Our next one at the Jaffa will be on January 26th at 7pm. Our unit room is located at the bottom of the stairs in front of the office and opposite the sound room for the basement.

It's that time of the year time to put the Lil' Vettes up on blocks and look forward to holidays spent with family and friends.

It was a very busy summer for our unit. Many parades in the book, over 20 this year. Our unit placed second at MASA in their category. We were proud to help Jaffa win the number one Shrine Trophy again this year. The unit would like to thank M&C Trucking for again providing transportation for our Lil' Vettes to the beach as well as driver, Tim Smith, for getting them down and back safely. Good Job!

The unit was invited to PP Vern Carey's home for a picnic after the Derry Parade. There was loads of good food thanks to Billie Carey and daughter Jen, and good conversation and fellowship. Elections were completed that day and Charlie Cox was reelected to serve as President for the 2017 year, along with Alex Muchesko, Vice President and Fred Goodman, Secretary/Treasurer.

One of the last parades of the season was the Johnstown Halloween Parade, always one of our favorites. Loads of onlookers, many dressed for the occasion. Always a big parade, this years featured over 130 units.

Sadly, we lost one of our senior unit members, Bill Rowley, this October. Bill always had a smile and a hug and was often seen during circus week wearing his sailor hat and selling programs at the corner of the Lil Vettes novelty booth. Bill was very proud of his service in the Navy and loved to show off his dress uniform that he kept cleaned and pressed and said he could still wear. A great friend who will be missed by many.

That's about all for now, hoping to see you down the road...
Jim "Spanky" Edwards, Reporter

MOUNTED PATROL

Our Mounties have had an active parade season with numerous non-parade activities. The parades were great with good turnouts of horses and riders and the very important chuck wagon clean up crew. Several parades included good food at a meal at the home of a member, or dinner at a restaurant, a picnic after the Williamsburg parade, and we had a smoke out and pig roast as part of a trail ride in Port Matilda, thanks to Buddy Daughenbaugh's good friend - and now ours - Gary Garrison. It was a great parade season, can't wait until next Memorial Day to start over again.

We have some new officers - and some reruns - for 2017. Tyler Burchfield will serve as president, Ben Ritchey - secretary, Dwayne Smith - treasurer, Mike Luther - captain, 1st Lt Jim Russel, 2nd Lt Buddy Daughenbaugh, Sgt. Ron Leach, and quartermaster Mark Miller. Mark and Fred Putt will hopefully serve on the "road apple" crew again. I think they get more applause than the horses.

Our Mounties and their ladies, and our special ladies, enjoyed a festive Christmas party at the Park Hills Club on December 17, and we are looking forward the the New Year's Eve Party at Jaffa. If you don't have your reservation in for it, call Ben Ritchey at 814-329-2783 to see if you can get in on the fun. We ARE the party.

CAMPER CLUB

The Jaffa Campers have had a progressive season this year. The season started off with a campout at Kaylumet Campground in Cook Forest. A great time was had by all. Next was a campout at Ali Ghan Shrine in Cumberland, Maryland, then a great weekend campout at Raystown Lake on September 23 to 25. Great food, great weather, and a grand time was had by all.

The schedule for the rest of the year is as follows: a campout at Ali Ghan again on October 21-23. There will probably be some members of Ali Ghan campers join us. Ali Ghan is only five miles from the Rocky Gap Casino, if you are interested.

Our November meeting will be at the home of Tom Morgan, 1602 Old Dominion Drive, Altoona, phone number is 814-946-3900. We will bring refreshments, so let Tom know if you will be there, and what you will be taking.

This past September we put 19 horses on the street at Virginia Beach but didn't bring home a parade prize. Next year we are shooting for 25 horses and riders, maybe we can get their attention in 2017. Plan on it for next year - Labor Day week on the beach. WE are the party there, too!

I am not a big fan of the one day class, but some times, especially for the self-employed man, it's the only way he can become a mason and a shriner. I prefer to bring my members in the traditional way, but this time I had a one day class member, a man who when I met him was a bus mechanic and driver for Raystown Transit. He is now the proud owner AND a part time driver/mechanic. Hopefully, Shae Harclerode will have some time to visit Logan Lodge and see what masonry is all about, and some day have time to become an active shriner. Let' see, Jaffa has big cycles and little cycles, big cars and little cars - why not buses? Hope you get active and enjoy it, Shae. Nobles, if you or your organization need to charter a bus, contact Duane Bordell at 814-944-2585 and he can book it with Shae.

We wish all of our nobles, ladies, children and friends, a very Joyous and Merry Christmas, and a healthy, happy and prosperous New Year. Until the next time, sit tall in the saddle and keep a steady hand on the reins.

Ray Nycum, Jr., Reporter

December 10 will be our Christmas party at Steve Dively's home. He lives at 5835 Ohio Avenue, Altoona, phone number is 814-941-4851. We will also take food for the dinner, so let him know if you will be there, and ask what you should bring. Also, there will be a \$10 per person gift exchange, so bring one marked male and one marked female.

Dues will be paid to John Grove, treasurer, at the meeting. They are \$10 per year. For any information you need, check with John at 814-695-5786.

We need campers, so please join up. Whether you have a sleeping bag on the ground or the most expensive RV on the market, you can join us. As you can see, we love to eat too!

Lynn DeLozier, Reporter

ATHLETIC CLUB

BASKETBALL IS BACK at the Jaffa Shrine!! The past three years, the Jaffa Shrine Basketball Committee had sponsored a basketball tournament at the Altoona Area High School. This year, the basketball committee changed its name to the Athletic Club and has brought the tournament to the Jaffa Shrine. The Club had contacted the Divan for its approval to refurbish the floor along with some other renovations and additions. Once approved, the Club moved forward.

Almost \$50,000 will be spent on these improvements. The Athletic Club has paid for a new score table, basketballs, change of possession arrow, padding for under the baskets and padding for the first row of seats on the opposite end of the stage. New scoreboards are being purchased as well. All costs associated with this project will be paid for by the Athletic Club over the course of the next several years.

In addition to the basketball tournament, the Athletic Club has plans for a majorette competition, cheerleading competition along with high school and junior high school wrestling tournaments.

On December 13th and 14th, the Jaffa Shrine Basketball Tournament will take place at OUR Shrine. This year's tournament is an "All Girls" tournament that include Altoona, Bellwood, Bishop McCort and Juniata Valley. Times are 6 and 7:30 p.m. both days. The tournament is comprised of local teams so come out and support the girls. The 2017 tournament is already being planned. It will consist of four boys and four girl's teams. The tournament will be held during the week of December 11th-15th.

I want to take this time to thank all that have been involved with making this happen. Below are some photos of fellow Shriners helping out with our Chicken Barbecue that was held October 30th. 700 dinners were sold! A good job by all. As a community service project, the Altoona Lady Lion Basketball team helped out as well as they prepared the dinners.

Any noble interested in being part of the Athletic Club please contact anyone in the Club. Members include: President-Mike Colledge, Vice-President-Joe Orr, Secretary/Treasurer-John Bollinger, Bob Baranik, Dave Cherry, Richard Himes, Ben Kensinger, Gerald Lower, Jeff Putt, Steve Slogik, Bill Wilkinson and Scott Woomer.

The Roadrunners provide a much needed service for our patients and their families, many of whom do not own motor vehicles and depend on us for their transportation. It is very rewarding to see the improvement of our patients over the months and years, and every now and then get a reward of a jar of their homemade jelly or even a shoe fly pie.

In 2015 we logged 147 trips to the three hospitals, with most trips to Philadelphia, and an occasional longer trip to Cincinnati or a short trip to Erie. However, so far in 2016, we have logged 189 trips through the end of October, with two months to go.

Fortunately, we have two Chrysler vans that are maintained by Harry Chirdon for the basics, but Dave Peterman and Pat Garman do the tune ups and oil changes, keeping them in top running shape.

What we need most are reliable drivers. There is a roster of just under 200 members, some of them on the retired list and a few, due to health reasons, are unable to participate at this time, and from November through April we lose some "snow birds" who head south for the winter.

If you like to drive and enjoy the company of another Shriner and want to make some new friends, the rewards are endless. Our officers for 2017 are: Dale Wills, president, Harry Chirdon, vice president, Joel Weiss, secretary, Robin Thompson, treasurer, and Ralph "Bud" Campbell, Doug Brush and Dick Brown, trustees.

If you would like to consider becoming a Roadrunner, contact our coordinator, Vernon Carey, PP, at 724-694-9186, or all Teri Maul in the Recorder's Office at 814-944-4043.

As usual this year, we will be selling our Christmas trees in the Jaffa parking lot after Thanksgiving and up until a few days before Christmas. Stop in and choose from an assortment of fir, pine and spruce freshly cut and locally grown trees.

Fortunately, we have the convenience of a modern travel trailer with heat and electricity, where we enjoy hot coffee and cocoa, home made cookies and cake, and enjoy our Jaffa brotherhood between customers. Some of us with pick up trucks even offer delivery to local folks without a way to get the tree home. We have some local walk in customers.

Temporary Landscape Committee

Nobles; the divan and building improvement association are looking for volunteers to serve on a temporary committee to design a property landscape upgrade plan. Mother nature and age has taken a toll on our property. Our divan feels the current curb appeal negatively effects our attempts to book social events such as weddings and shows. Due to our property taxes rising, earning needed rental income is very important at this time.

The goal of this committee would be to create a time flexible design plan that can be implemented over several years. If you have education and experience with property landscape design please call our main office at 814-944-4043. If you want more information or have a question please call Bob Baranik at 814-207-5271.

Thank you to all in advance for all help in this matter.

Fraternally,
Bob Baranik, Assistant Raban

Congratulations to our 50 year members!

Scott Kozin, M.D., presented the Dr. Audrey E. Evans Award of Excellence

The city of Philadelphia is known for having a full history of firsts.

The first art museum, university, medical school, zoo, escalator, department store, U.S. Mint, and the list could go on about all of the first places and things that have occurred in the great city of Brotherly Love. Philadelphia is also home to the world's first Ronald McDonald House. Co-founded by Audrey Evans, M.D. (a pediatric oncologist at The Children's Hospital of Philadelphia) and Jimmy Murray (former general manager of the Philadelphia Eagles), the Philadelphia Ronald McDonald House opened on October 15, 1974 and now serves as the model for over 350 Houses in 42 countries.

Shriners Hospitals for Children — Philadelphia has had a long-standing relationship with the Philadelphia Ronald McDonald House at the Front and Erie location, where many of our patients stay. This year, the Philadelphia Ronald McDonald House charities introduced its Champions of Hope Awards, which highlights

other local individuals that embody the same dream, determination and commitment to children and families as the co-founders, Dr. Audrey Evans and Jim Murray.

The inaugural event chose to honor Scott Kozin, M.D., chief of staff, Philadelphia Shriners Hospital, with the Dr. Audrey E. Evans Award of Excellence. The Jim Murray Community Leadership Award went to Suzanne Root, Esq.

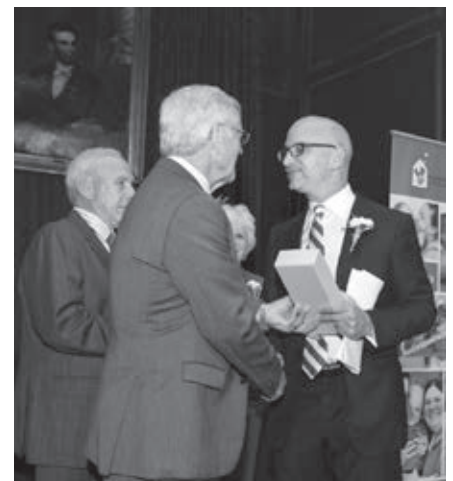

Here is an excerpt of the speech that Dr. Kozin gave at the Champions of Hope Awards Dinner:

It is a privilege and honor to receive the Audrey Evans Award of Excellence tonight. Shriners Hospitals for Children and Ronald McDonald House are a perfect symbiotic relationship. We are all stronger by collaboration. Collaboration allows us to care for more children, better their lives and maintain family unity. Our relationship with Ronald McDonald house has grown over the last 20 years. Our hospital here in Philadelphia cares for children from around the United States and the globe. Notably, last year we cared for children from 48 out of the 50 states. The ability for us to care for these children could not be possible without the facilities and care at the Ronald McDonald House. Time has resulted in many changes in health care that make it increasingly difficult to keep patients in the hospital. Daily, weekly and monthly we search for alternative housing during their stay in Philadelphia. Surgery is just part of the treatment with rehabilitation being equally important. Many of our patients are severely impaired and require intensive rehabilitation before and after

surgery. It is impractical for them to fly back and forth or drive back and forth hours and hours to and from their home to Philadelphia. Housing them in Ronald McDonald House, a place filled with love and compassion, is the perfect solution for children and for their families.

Children and families' experiences at the Ronald McDonald House are remarkable and memorable. The families are indebted to the care and compassion demonstrated in the area. Families have become friends at the Ronald McDonald House and frequently coordinate their stays at the house so that their children and they can be more comfortable and cared for during their treatment at Shriners Hospitals for Children. None of this could have been possible without the drive and vision of Dr. Evans.

In closing, I am humbled by receiving this award. I'm indebted to Dr. Evans for her care and treatment of children with neuroblastoma and for her vision to see the Ronald McDonald House as a valuable respite home for children with complex medical diagnoses to heal both on the outside and on the inside.

Sarah Nossov, M.D. joins the Philadelphia Shriners Hospital staff as orthopaedic surgeon

Shriners Hospital for Children—Philadelphia is pleased to announce the appointment of Sarah Nossov, M.D. pediatric orthopaedic surgeon. Most recently, Dr. Nossov completed her fellowship in pediatric orthopaedic surgery at Children's Hospital of Philadelphia. Dr. Nossov is interested in lower extremities, including hip diseases like Perthes and development hip dysplasia, lower extremity deformity, and congenital and acquired foot problems.

Her responsibilities at Shriners Hospitals for Children will include seeing patients in the outpatient clinic, performing surgery, and expanding her expertise in Arthrogyrosis treatment. Not only will Dr. Nossov be caring for patients at the Philadelphia Shriners Hospital but she will also spend time at Shriners Hospitals for Children-Erie Ambulatory Surgery Center and Outpatient Specialty Care Center.

Prior to her fellowship at Children's Hospital of Philadelphia, Dr. Nossov completed a residency in orthopaedic surgery at University of Michigan Health System, Ann Arbor, MI.

Dr. Nossov received her medical degree from University of North Carolina at Chapel Hill School of Medicine, Chapel Hill, NC, and she was a distinguished scholar. She attended Goucher College for a post baccalaureate premedical program. Dr. Nossov has a Bachelor's of Fine Arts, Studio Art: Painting with honors and computer science minor from Binghamton University, Binghamton, NY. Her medical education afforded her the privilege to volunteer both domestically and abroad during Hurricane Katrina and resource limited countries Guatemala, Burkina Faso, and Malawi.

"We are excited to have Dr. Nossov join our medical staff. She is a valuable addition to our lower extremity team. Her expertise will expand the lower extremity service so that we can care for more children in need." stated Dr. Scott Kozin, chief of staff Shriners Hospitals for Children.

She is a member of several professional organizations including American Association of Orthopaedic Surgeons, Pediatric Orthopaedic Society of North America (POSNA), and Health Volunteers/Overseas Orthopaedics Overseas.

Thanks to all who supported our 2nd Annual Walk for LOVE! We had over 475 participants, 40 plus teams and raised more than \$80,000. It was a great time had by all, we couldn't have done it without you!

What's New in Erie!

Former Patient Lives Un-limb-ited Life

Richard "Lucas" Slusher was born without a forearm below his right elbow. As a patient of Shriners Hospitals for Children – Erie, Lucas learned the skills and resolve necessary to lead a full and active life.

The staff members at the Erie Medical Center inspired Lucas, now 23 years old, to give back. This journey began when he was 17 with a flyer he received advertising the Un-Limb-ited Amputee Camp in Park City, Utah. The camp is coordinated by Shriners Hospitals for Children – Salt Lake City.

The Great Outdoors

The camp gives children, ages 13 to 17 who have a limb deficiency, the opportunity to learn skiing and snowboarding or to experience white-water river sports like kayaking, canoeing and rafting, as well as

camping. One of the camp's missions is to help the teenagers better understand how to use their prosthetics through sports. Lucas was excited by the camp's mission, so he wrote an essay and completed the application process. He was selected to attend the camp. He says his experience was spectacular.

Prior to attending the Un-Limb-ited Camp, Lucas had never had the opportunity to interact with other kids who were missing a limb or even travel somewhere as far as Utah. It was enlightening for him to see how other children approached their challenges. Lucas now volunteers at the same camp and shares his love of the outdoors with teens who may be facing some of the same challenges as he did.

Never Giving Up

Lucas credits the people around him – his family and the medical staff at SHC – Erie – for being his biggest motivation. He was raised to do his best at everything, never make excuses and never give up. One piece of advice that he has for anyone facing obstacles in life is to "Have faith in yourself and reach out to others. Open up to someone. Never doubt yourself."

Throughout his life, Lucas has used a body-powered prosthesis. More recently, Lucas was fitted with a myoelectric prosthetic, which uses existing muscles in the upper arm to control the wrist, hand and elbow. Lucas hopes that further progress in technology will one day allow him to use a more advanced prosthetic arm.

Lucas is currently finishing his studies at Kent State University and expects to graduate in 2017 with a bachelor's degree in applied communications. He recently completed an internship with WJET-TV 24 (Erie's ABC affiliate) and really enjoyed writing stories and reporting. He hopes to follow that career path upon graduation.

SHC — Erie Launches Campaign for New EOS Imaging Technology

SHC – Erie has launched a major fundraising campaign to purchase an EOS imaging system.

EOS is a revolutionary imaging system that captures whole body images of a standing or sitting patient in a single scan, using up to 91% less radiation than x-ray. Radiation dose received during repeated x-rays is a risk factor for cancer later in life, particularly with many of our patients being treated for conditions such as scoliosis, that require multiple x-rays throughout childhood.

What's New in Erie!

The new EOS imaging system will enhance SHC – Erie's ability to continue providing the highest quality care to children with musculoskeletal conditions and other special health care needs.

The cost of bringing this advanced technology to the Erie medical center is estimated at \$1,012,500. Since initiation of the campaign, more than \$328,000 has been secured. Shrine temples are invited and encouraged to help make this project a reality by supporting our fundraising efforts to bring this state-of-the-art technology to our medical center. If you would like more information or are interested in making a donation, please contact Rick Liebel, Development Officer, at 814-875-8807.

4th Annual Colonel Drake Shrine Club Golf Tournament a Success

Sara Galmish, a senior at Titusville High School, raised \$5,500 for Shriners Hospitals for Children – Erie as part of her Senior Project. Sara partnered with the Colonel Drake Shrine Club to host a golf tournament which was held at Cross Creek Resort.

Sara comes from a long line of Shriners and a family that supports our mission. Her father, grandfather and great grandfather were all Shriners and Sara is the third in her family to host this golf tournament and raise money for SHC – Erie.

Pictured in the photo are: Bill Anthony (Sara's grandfather), Sara Galmish and Rick Leibel, Development Officer at Shriners Hospitals for Children – Erie.

Traffic Alert

With the continued growth of traffic on the Shriners Hospitals for Children – Erie campus the "9th Street cut-through" traffic has become a large safety concern. With many drivers trying to avoid the light at the end of Lincoln, these drivers have demonstrated little regard for the safety of our parking lot.

The safety committee has met with the City of Erie and made the determination that beginning Monday, October 17th we will close down 9th Street to traffic entering our campus between the hours of 6am - 6:30pm Monday – Friday, until further notice. When traveling on Lincoln Avenue, please continue to the light and turn right onto West 8th Street to access our parking lot.

BEST PLACES to work in PA 2016

Shriners Hospitals for Children – Erie has been named a Best Place to Work in Pennsylvania for 2016. The survey and awards program was designed to identify, recognize and honor the best places of employment in Pennsylvania, who are benefiting the state's economy and its workforce.

Companies from across the state entered the two-part process to determine the 100 Best Places to Work. The process included evaluating each nominated company's workplace policies, practices, philosophies, systems and demographics (25%). The remaining 75% of the evaluation consisted of an employee survey to measure the employee experience. The combined scores determined the top companies and the final ranking.

SHC – Erie is very proud to be the only business from Erie to make the list and one of only two in Northwestern Pennsylvania.

A VERY IMPORTANT ANNOUNCEMENT

The circus committee has already started their plans for the 2017 edition of Jaffa Circus. We have a whole new management staff that I am sure is going to make the 2017 version a stunning success.

My part in this planning is to insure that we have a crew of ticket agents to undertake the critical task of manning the ticket office during the weeks prior to and during the circus. We had a great team last year, but we were under staffed, causing undue pressure to maintain the level of support we needed each day. This year we must try to eliminate this by recruiting more nobles, and ladys. who are ready to donate their time to this task. Too many are are willing to say "I don't know how" or "I don't have time" or "let someone else do it". If you are receiving this magazine,

WE WANT YOU!

We will be holding training classes for:

- Phone counselors - They will answer questions about ticket office hours, circus performance times and dates and actually sell tickets to the public.
- Ticket window agents – These agents will be selling tickets to the walk-up patrons of the circus.

Ideally, we will be able to recruit at least 25 agents that will work on a rotating schedule to cover two phones and three windows for the full eight hours a day that the ticket office will be open. Prior to the circus, the office will be open Monday Wednesday and Friday 9:00 till 5:00, Tuesday and Thursday 12:00 till 7:00 and Saturday 9:00 till 1:00. We will be closed Sunday. After the circus starts the hours will be regulated to correspond to the performance schedules, including Sunday.

If you talk to last years participants, you will discover that this is not all work, but a continuing building of camaraderie and respect for the critical amount of effort needed to keep the ticket office functioning efficiently, and to insure excellent service to the patrons who are critical to the success of the circus.

If you served last year, and want to again serve, please notify me so I can include you on our roster this year.

Please contact me, Ron Eckstein, at 814 215-4478 or Email at roneck21@aol.com (If contacting by email please include a phone number).
